Setting Up Your Munch Monitor Account

MUNCHMONITOR.COM

Turramurra High School Canteen and Uniform Shop are cashless.

We have partnered with Munch Monitor's online ordering and cashless card system for Canteen and Uniform Shop purchases. Parents can order online, and/or their child may use their student card to make an over the counter purchase.

Munch Monitor has many benefits:

- Service is much **faster**, significantly reducing queuing times at both recess and lunch
- The elimination of cash means it is more **secure** for staff and students
- Daily payment limits allow you to help your child manage their spending
- You are able to view what your child is ordering, allowing you to engage them in discussions about the **food choices** they are making
- Munch Monitor is free for parents and students, all costs are absorbed by the Canteen and Uniform Shop

You must create a Munch Monitor account to start ordering online, go to: **www.munchmonitor.com**

Important Notes

- 1. Once your child's student profile is set up, they simply present their student card at the Canteen counter, and this will bring up their account on the Point of Sale Terminals.
- 2. It is essential to upload a current photo of your child. This photo will appear on our Point of Sale Terminals when your child scans their student card when purchasing. This is an important security feature, it prevents other students using your child's account.
