About the Expos

Our annual Apprenticeship & Traineeship Expos attract over 16000 visitors combined and are widely accepted as the premier expos of their kind in NSW.

The timing of the expos are a hit with families as it allows parents to attend with their children and have those all-important career chats with industry experts.

The expos kick off the recruitment process. Exhibitors get the chance to collect resumes and promote their organisation for upcoming recruitment drives.

With a lot of major infrastructure projects underway there has never been a better time to start your journey on a rewarding career path.

This is the perfect chance to meet experts representing industry, businesses, group training companies, registered training organisations and many more and apply for apprenticeships, traineeships, jobs and further education pathways.

Exciting News!

With the infrastructure boom we are experiencing, the future need for apprentices, trainees and skilled workers has never before been in such high demand.

Following on from the success year after year of our expos, we continue to take the model to other parts of our great state and provide our career/job seekers, business and industry, education providers and employers with the opportunity to come together under the one roof and begin the journey of making the plans for our states growth a reality.

We are excited to announce that this year we have added the Illawarra expo.

Whether you are at school and looking for a career path, a parent hoping to give your child the best opportunities in life, a teacher that wants to see their students start off on the right foot or a job-seeker looking to commence a rewarding career, the 2021 Apprenticeship and Traineeship Expos have all the answers you need.
