

SCHOOL EXCURSION / INCURSION NOTIFICATION

Dear Parent/Caregiver, an excursion/activity has been organised for your child.

Excursion / Incursion	Girls Do the Maths
Date	Friday 9th June 2023
Year / classes involved	Female students enrolled in 10MAT5.3
Location	E15
Purpose	This is a half-day online workshop run by The School of Mathematics and Statistics at UNSW for young women to encourage them to consider mathematics as a career. We understand that the world faces many challenges - climate change, population growth and poverty, national and global security, and finding sustainable food and energy supplies to name a few. The study and application of maths plays an important role in all of these areas. Do The Maths has been created to encourage girls to see how they can make a difference to the betterment of the world and people's lives by studying and working in many different fields using maths and stats. The program will include maths talks, a DESMOS activity, degree and scholarship information, and a Q&A.
Start time	9:00am
End time	12:00pm
Transport	
Cost	\$10.00
Dress requirements	Full school uniform
Food	Students bring their own recess/lunch

General Information Concerning Excursions / Incursions

1. Excursions and Incursions form an integral part of the curricula by providing enriching experiences which cannot be provided in the classroom.
2. This excursion/incursion has the approval of the principal. A risk management plan has been submitted to the principal as part of the excursion planning.
3. Students must wear full school uniform unless otherwise instructed above. Students who are not in uniform will not be allowed to attend.
4. A standard of behaviour is expected of all students representing the school in the greater community.
5. Please note the time and place of departure and return, transport arrangements, uniform requirements and food as advised above.

Mr David Arblaster
Principal
