

Dear Parents

It is undeniable that the more theatre Drama students the better the work becomes. At THS, we work closely with the Arts unit to provide students with the opportunity to enjoy excellent extra training and have the chance to work in professional theatres with professional production values. This year we had students attend Arts unit camps, ensembles and the prestigious State Drama company which performed at NIDA. I am also an Arts unit tutor and work with students all over Sydney.

On Friday 27th October, the State Drama Festival 'Accelerate' will be staged at the Seymour Centre. Selected Year 11 and 10 THS students will perform alongside Ms Farr-Jones' state Year 10 ensemble.

I would like to offer our students the opportunity to attend this Festival, though it will be 'a drop off and pick up' student's own choice to attend style excursion. Parents are absolutely welcome. They will need to contact the Seymour Centre directly to purchase a ticket. I will be backstage but would be thrilled if my students could see the extraordinary work onstage.

I was only available to reserve 16 tickets and there are 43 Drama students. Please don't miss out.

Kind regards
Belinda
