Uniform Guide

THS UNIFORM

The wearing of school uniform promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.

Turrumurra High School's uniform is modern, practical and comfortable, with a range of options to suit the individual whilst retaining the sense of being a single learning community.

The Uniform Shop is run by our P&C in close consultation with students, staff and the broader school community.

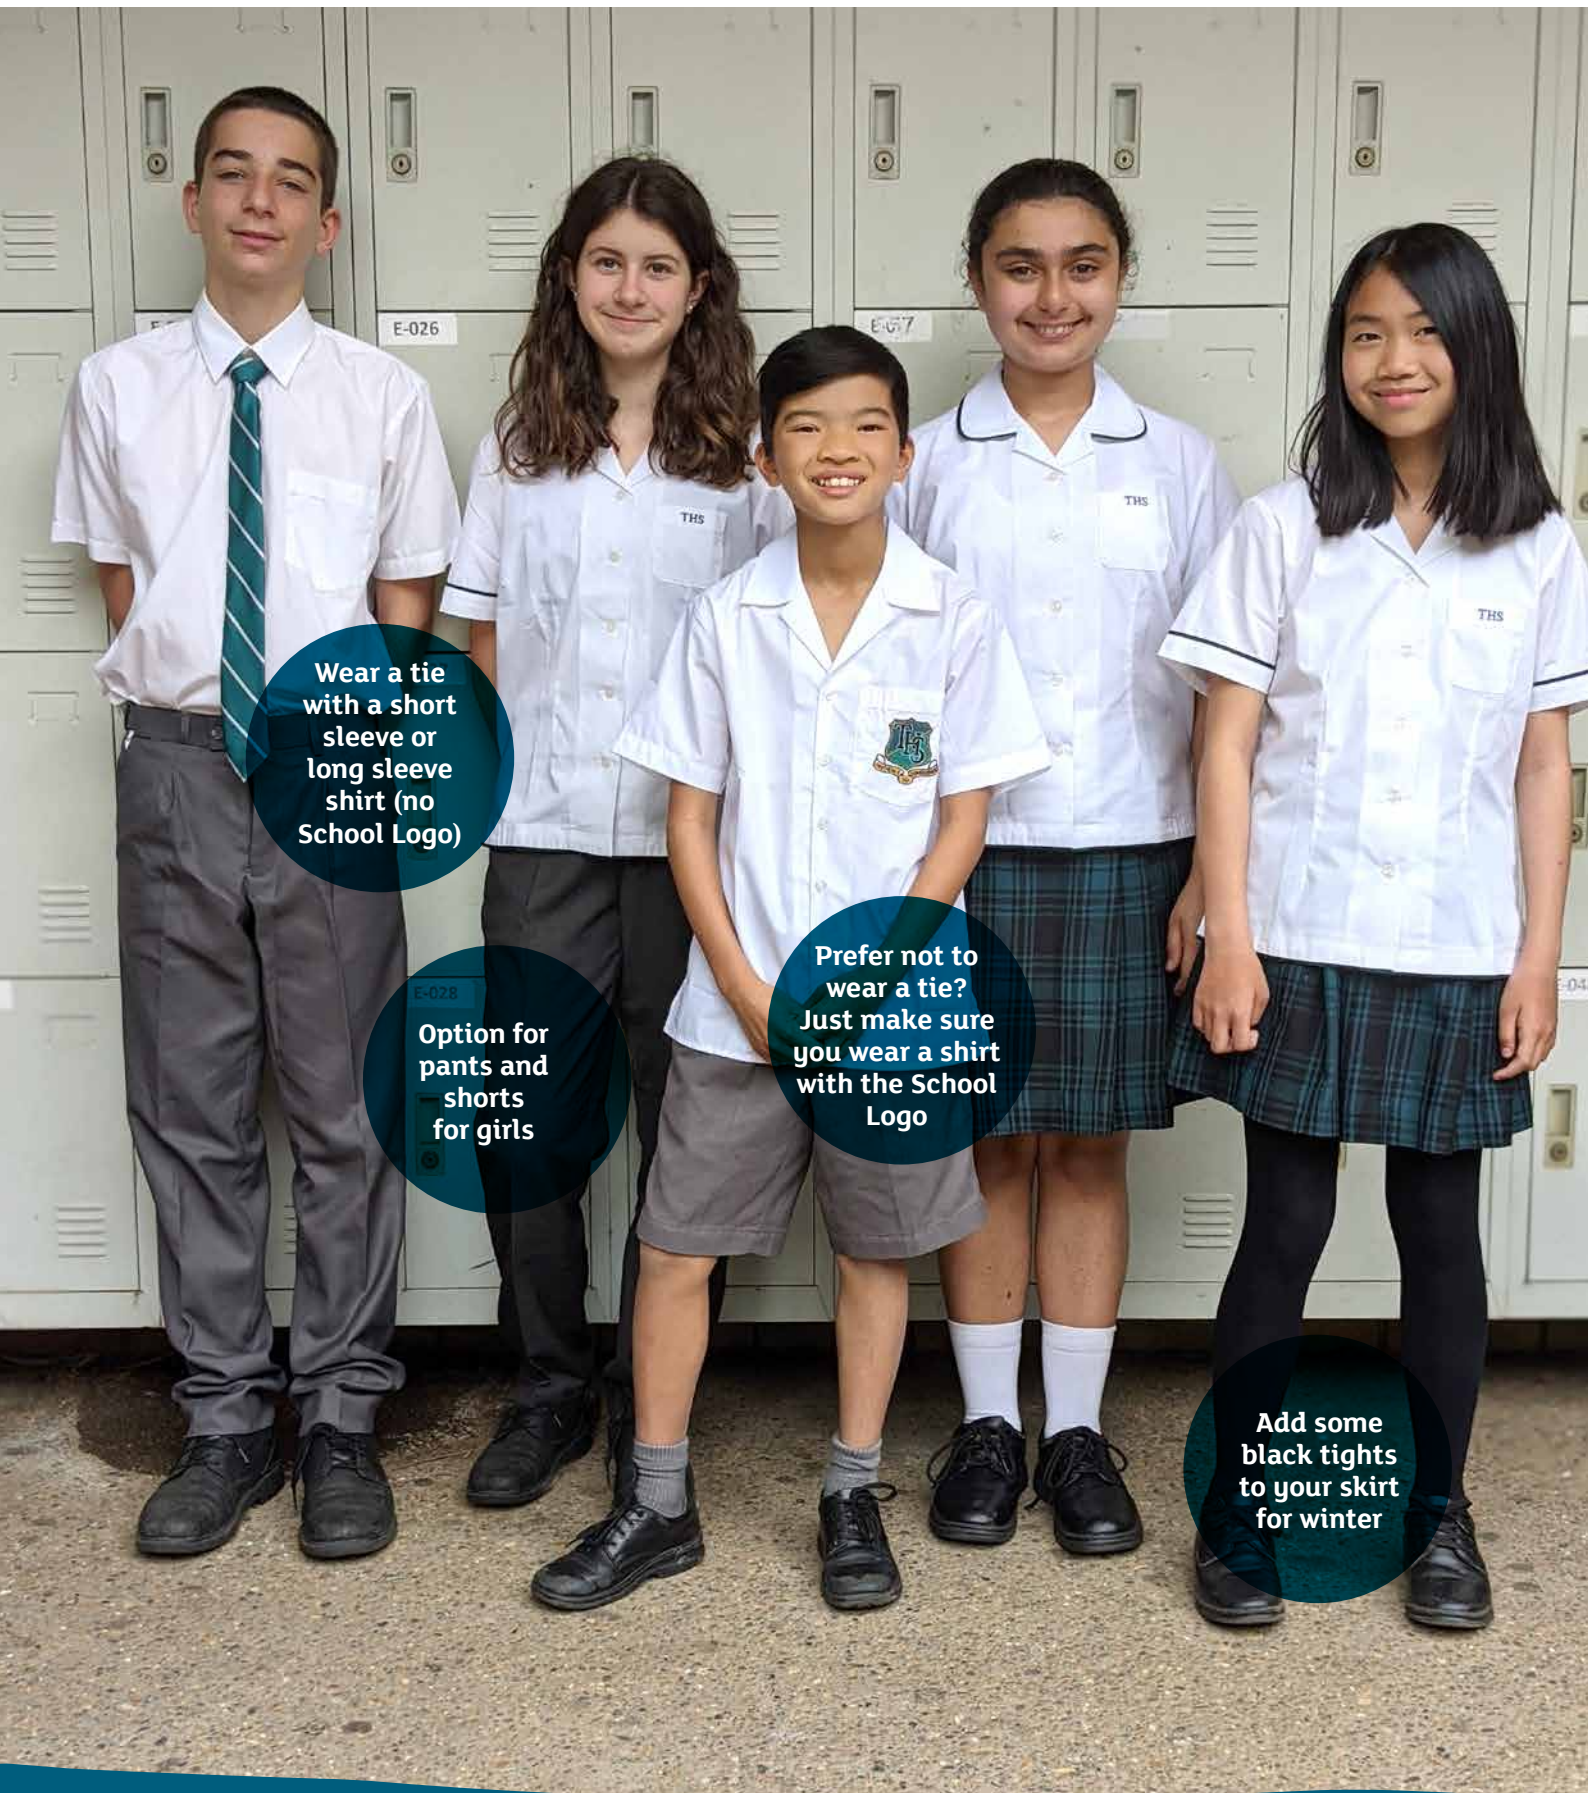

At Turrumurra High School our students wear their uniform with pride. They know that wearing the THS Uniform is a symbol of them belonging to the Turrumurra High School family. We encourage all our parents to support their children in the correct wearing of full uniform at school and whilst journeying to and from school.

If you are unsure of the size, please go ahead and order, as your child may try on their garment when they pick up and change the size if needed.

We also offer a 28 day return policy on all garments. If garments are returned unworn and in original packaging, we will issue a full refund.
