

Special Religious Education Participation

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious perspective at the choice of parents.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE) please visit:

If your preferred SRE option is not available please contact the approved provider. Students not attending SRE are given supervised alternative activities.
