

TURRAMURRA

HIGH SCHOOL

Dear Year 12 Parents

Welcome to Term 2. I hope your child/ren were able to make the most of the break to rest and recharge, ready to focus on their learning this term.

The official HSC timetable will be published 29th April 2021. Your child will then have access to their personalised timetable via Students Online.

For your reference, the HSC Key Dates and Exam timetables can be found at

After looking at the assessment schedule for term 2 it looks like weeks 6 to 9 will be very busy with several subjects due each week. It is extremely important for students to ensure they are spending time working on each task and mapping out a plan so they can submit on time. Having something written down in an easily accessible place can be very helpful.

This is an area where their mentor could be very helpful and they should make time to have a chat with the teacher they nominated for this purpose.

Below is a link to the school website parent information portal. If you haven't already, you will need to create a log in to access information such as, school calendars, student timetables and more. This information will be quite helpful over the next few months.

As the Trial HSC is approaching your son/daughter should be undertaking some study at home each day, including the weekend. Summarising notes and completing past HSC questions are some ways to revise work.

Any Faculty letters should be cleared by the due date. If two faculty letters remain uncleared, then a NESA 'N' award letter may be issued. At this time of the year, students should not have outstanding work.

Please do not hesitate to contact myself or Ms Janine Steele for any assistance.
